2015 COMMITTEE PREFERENCE FORM

If you have served in a REALTOR® Association, you know that the main stay of the Association operation is a good committee structure. Practically everything that becomes Association policy or practice has its origin in a committee. If you want to be where the action is, get on a committee. This is YOUR ASSOCIATION - What you plan and do - Is what the Association does. 2015 President Dean Miller is eager to get the best group of volunteers she can, to help insure continued Association growth and progress. Give him the opportunity; volunteer your time and your abilities. **COMMIT to a COMMITTEE.**

President Dean will make every effort to place you on the committee (s) of your choice, but he has to know exactly where you wish to serve. The key word for committee service is "COMMIT." If you are appointed to a committee; you are expected to serve. For best consideration, please return this form to the Association Office immediately. All committee appointments are subject to approval by the Board of Directors.
